Parent Involvement & Registration Signature

For the success of your child's spiritual life and growth at church

Often a school teacher or sports coach will ask for your help. They know how valuable it is for you to be involved in your child's life and those things that are very important to him/her. Equally valuable is your involvement in your child's spiritual growth and relationships at church. Children love to see parents helping out on a Sunday morning or at church during the week. Certainly, the success of your child's Christian education and walk with the Lord at Grace Family Church is dependent upon your active involvement. Therefore we ask that each parent please (X) those areas that may be of interest to you.
